23 rd Sept	SHELSLEY WALSH	Midland AC
7 th Oct	PRESCOTT	Bugatti OC
27 th Oct	CASTLE COMBE (LONG)	Bristol Pegasus MC

1.6. Scoring:

1.6.1. Provisional points at a Championship Round shall be scored on the basis of the following formula:

$$\left[1.00 - \frac{(\text{time achieved} - \text{target time})}{\text{target time}} \right] \times 10.00$$

The competitor with the highest provisional points shall then be awarded 10.00 Championship points.

Other competitors' Championship points will be derived from the above as follows:

$$\frac{\text{Individual Competitor's own provisional points}}{\text{Best provisional points}} \times 10.00$$

Target times shall be the best time recorded by a Competitor / car combination at the course, and declared on the Event Target Time form. Where a Competitor registers for an event that they have not previously recorded a time for, the Championship Organisers shall calculate a Target Time based on their and other competitors' times. The Championship Organisers shall have the right to vary a Competitor's Target Times where they are deemed not to be compatible with the vehicle entered or fellow Competitors' Target Times at any event.

Competitors who have not previously competed for at least two years in Sprints and Hillclimbs will have Target Times set by the Championship Organisers. These times will be reviewed on completion of each event and the Championship Organisers will adjust the future event Target Times if they are not reflecting the Competitor's actual performance relative to other competitors'.

Any competitor who betters their event target time by more than 2.5 % will have their result adjusted to limit the improvement to 2.5%. These adjusted times will then be used for the Championship points calculations.

For events held at a new or modified course all participating competitors will be given Target Times by the Championship Organisers, based on a similar event.

Competitors who do not notify the Championship Coordinator at least one month in advance that they intend to, or have entered an event for which they have not got a Target Time, will not be allocated a Target Time and therefore will not receive Championship points for that event.

1.6.2. The best five scores shall constitute the competitor's Championship result and the competitor with the best overall score for five events shall be the Championship winner for the year. In the event of a tie, the sixth best result achieved will be used to resolve the tie and so on.

1.6.3. Championship Points Appeal – Section C6.5~~4~~, current MSA Yearbook, applies.

1.7. Awards:

1.7.1. There are no awards for individual Championship events.

Trophies shall be awarded to competitors who have competed at least five events as follows:
First, Second and Third placed competitors overall at the end of the season, excluding those competitors who have not previously competed for two years.

The best overall placed competitor at the end of the season excluding those competitors that have competed for more than two years.

The best overall placed Lady at the end of the season.

The best overall placed competitor under 30 years of age on the 1st January 2011 at the end of the season

No competitor may win more than one award.

Other discretionary awards may be presented from time to time.

1.7.2. There will be no cash awards. Trophies for the Championship shall be awarded for, and at the end of, the current season. The Championship Trophy shall be held for one year and shall be returned to the Championship Coordinator on or before the Drivers' Meeting and Prizegiving. The recipient is required to have the trophy suitably engraved. All other awards shall be perpetual.

1.7.3. There will be no bonuses awarded in cash or in kind.

2. SPORTING REGULATIONS - JUDICIAL PROCEDURES

2.1. **Rounds:** In accordance with Section C of the 2012 MSA Yearbook.

2.2. **Championship:** In accordance with Section C of the 2012 MSA Yearbook.

3. TECHNICAL REGULATIONS

3.1. Eligible Vehicles:

Any four wheeled production vehicle manufactured by Triumph and their derivatives shall be eligible to compete. Competitors must display the sponsor's Championship stickers on each side of the car for the duration of each event.

3.2. Classes:

The Championship has no Class structure. All vehicles must comply with the requirements of the MSA Yearbook.

The technical specification of the vehicle shall be stated on the Technical Specification form submitted with the registration documents and should be relevant to the target times previously achieved. Any modifications to the vehicle that may change the performance of the car shall be

notified to the Coordinator so that adjustments can be made to the target times if considered necessary.

3.3. Safety Requirements:

In accordance with Section K of the current MSA Yearbook
