- Telephone
- Personal room safe
- Hair dryer
- Tea & coffee making facilities

If you wish to upgrade to a room with a lake view or to a suite, please ask Scenic & Continental at the time you make your booking.

Leisure facilities include an indoor pool, sauna, steam room, Jacuzzi and an "Experience" shower. The Lakeside Park Hotel also benefits from one of the best spas on the Isle of Wight.

Our accommodation is for Half Board (ie dinner, bed & breakfast).

The Area

The Isle of Wight is an island county, located in the English Channel, approximately 3 miles off the UK South Coast. With approximately 57 miles of coastline, a variety of interesting towns and villages and an incredibly diverse range of landscapes, the Isle of Wight is often referred to as 'England in Miniature'. Over half its land mass is designated an Area of Outstanding Natural Beauty and, with a naturally mild climate, the Isle of Wight has been a popular holiday destination since Victorian times. The island is steeped in history and for a brief spell was an independent kingdom in the 15th century.

Suggested Itinerary:

Day 1 Meet up in the morning and journey through the New Forest to Lymington, with lunch en-route, or drive directly to Lymington. Early afternoon ferry from Lymington to Yarmouth. Journey to hotel and explore the locality
