Dear Friends,

Thank you to everyone at Kennet Valley Tr Group for your very kind donation of £150.00 to Macmillan Cancer Support. Your generosity and support will help us to make sure that no one faces cancer alone.

**How you're helping**

The money you raised will help fund vital services to support people affected by cancer and their families. So when they're facing a difficult time, they can start to feel more in control.

Christian was one of the many who benefited from having a Macmillan nurse. He recalls: 'I was lucky that I had a fantastic Macmillan nurse who could speak to me and come and visit me. She was wonderful and helped me with a lot'.

If you'd like to know more about our work and how you can get further involved, please take a look through the enclosed leaflet, *Help Us Make a Big Difference*.

**Thank you once again for being a part of Team Macmillan.**

With best wishes,

Dear Mr Westwood

I'm writing to let you know that Thames Valley Air Ambulance has received your kind donation of £150.00 raised by your members; your support is greatly appreciated.

Your donation will help ensure that our experienced doctor and paramedic crews will be able to reach these people within minutes, ready to deliver advanced life-saving critical care that you would normally find only in a hospital A&E department.

Thanks to people like you we have been able to make huge developments in Pre-Hospital Emergency Medicine. Our teams have at their fingertips the latest life support kit such as a compact chest compressor which allows us to continue treatment at the same time as keeping the heart pumping. We carry blood on board for on scene transfusions and a hospital level blood analyser which can give vital information in seconds. We have hand held ultrasound machines, able to show internal injuries at the roadside. In the last few years TVAA have extended the service by introducing a car as well as a brand-new helicopter, fully equipped for night operations.

With your help, we are proud to be an organisation that is committed to constant development and enhancement and above all else, we are committed to patient care.

TVAA would like to keep you up to date with our work and future fundraising, if you would prefer not to hear from us please contact us on 0300 999 0135 or email [info@tvairambulance.org.uk](mailto:info@tvairambulance.org.uk)

Dear Mr Westwood,

On behalf of the Trustees I would like to thank the Kennet Valley Group for their donation of £150. We are very appreciative of this and for you thinking of us.

We continue to support various Air Ambulance regions with the supply of blood transfusion equipment as part of their blood on board projects. I enclose a copy of our latest booklet which gives a little more details of what we have been doing.

Thank you once again.

Yours sincerely,

Sharon Bowness
