Preserving the marque in Hampshire

The nights are drawing in now and it certainly feels autumnal. I don't know about you, but I think we have had a pretty good summer on the TR front, lots of great days out and we have certainly been lucky with the weather. So far this year none of our runs have been cancelled. Its not over yet though, you still have the end of summer Barbecue to look forward to next week at the Nondescripts club. We would really love to see all of our new members come along and join us, but of course everyone is welcome.

Don't forget the Ivor Bleaney classic cars 50th anniversary event at the Sir Walter Tyrell pub in the New Forest on the 19th September. If you haven't already done so, get your free ticket for a drink and food asap, full details are available on page 3 of the Newsletter.

Our summer has been a bit up and down with Freda and then me going sick for various runs, the last one of the year looks to be a good one with a trip to the place where they make my favourite tippie, the Bombay Sapphire distillery. Watch out for further details soon.

Last weekend Jim and I went to The Goodwood Revival. As we had not been before we decided to go on Friday just to see what it was all about, we knew there would not be any racing, just practice but that was Ok. To be honest I was decidedly underwhelmed by the whole thing. Personally, I found it too commercial all about selling you stuff and dressing up rather than about the cars. Maybe we will go again on the weekend to watch the racing, but probably not.

A word from our leader

Hi Everybody,

Welcome to the September edition of the Wessex Newsletter.

The season is quickly drawing to a close for this year and looking back I think it has been interesting, varied and dare I say it successful due in the main to the hard work of the social committee. Plus of course everyone who has contributed to the monthly newsletter together with thanks to our editor Lorraine for all her hard work. I would also like to take the opportunity to thank Sue Chorley who has just resigned from the committee after very nearly 30 years. This is a tremendous achievement and we will miss her help and common sense in keeping the rest of us men on the committee in line. Sue has agreed to help organise our Christmas celebration in January for which I am very grateful

August is usually low key and this year was no different. Club night this month is the new members BBQ at the Nondescripts and is usually well attended. I'm writing this the day after the cream tea run which 30 of us enjoyed.

My concerns last month regarding the loss of long term Wessex members and their cars prompted a mixed response. I know other Register groups that are experiencing the same changes in their membership and it is comforting to know it is not just Wessex or something we are failing to do. If it was, then that would be a worry. Our current membership is 194 and the number of new members exceeds those resigning. It is ironic that I met Ian and Sandra at the cream tea yesterday and greeted them as new members, only to find that Ian has been a Wessex member for 35 years. Longer even than me. They have not made many meetings but had managed to attend a few this year. So I think I will now go and lie down, and let the dynamics of the Wessex TR membership look after itself.

A quiet meander through the North New Forest in search of a cream tea

By Stuart Thompson

It is that time of year when I realise that the TR driving season (runs) is fast coming to an end, when the cream tea run arrives. This year's cream tea run started as usual from Ower under an overcast sky. Thirteen cars and their occupants were waiting for the off and it was great to see such a good selection of TR's!

The route this year was intended to be a relaxing meander through the New Forest and with plenty of 30 and 40 mph zones it was not going to be anything else. Just the thing to get people in the mood for a cream tea. The venue this year was The Blue Hayes at Shootash on the A27, a new one for most of the drivers and passengers.

My intention was to try and not lose any of the cars on the way. We did however mislay Kevin and Ann Warrington, who I think stopped to take a better look at the Bentley garage in Bramshaw and lost touch with the other cars. Fortunately they made it to the Blue Hayes. The run progressed incident free until we got to the turning onto the Bramshaw to Fordingbridge road. Tony Alderton and I passed a woman on the side of the road signalling to come back on after stopping to "light up". Unfortunately she must have got fed up with waiting and nearly took out Peter Bailey who was just passing her when she made the decision to join his piece of the road. Good job Peter has good brakes and missed her but nearly collected the following TR in his boot. At least we know his brakes work!

Anyhow we all safely arrived at The Blue Hayes and enjoyed a very fine cream tea. Even the sun came out for a time.

September Club Night

September club night sees us back at the Nondescripts Club in Lyndhurst on the 22nd at **7pm** for our annual end of summer barbecue. We would especially like to invite any members who have joined the group in the last year and have not managed to make any of the events so far, but of course, everyone is welcome .

We are all hardy types so we will be outside unless the weather is really against us.

The usual sausages and burgers will be available ,and of course drinks from the bar and chat with other members.

So pop the date in your diary and hope to see you there.

October Club Night

For our October club night we are delighted to welcome David Thomson from Vintage tyres as our Guest Speaker.

Vintage Tyres was formed in 1962 by Lord Montagu of Beaulieu to thwart the impending closure of the Dunlop vintage tyre production. Lord Montagu struck a deal to take all the tyres they could manufacture and provide a company to ensure the tyres reached customers as efficiently, speedily and economically as possible. Vintage tyres can now supply all your tyre related needs and all in a fantastic setting.

Vintage tyres already support the TR Register with a discount for members and I understand there may be special deals on offer on the night, so check your tyres! with winter approaching now might be a great time to renew your rubber.

This event will be held at the Empress of Blandings public house on the 27th October at 8pm in the private function room on the first floor. The pub does excellent evening meals so why not get there a little early and enjoy a meal before listening to our speaker.

October Run

This years October run will be lead by Roy Clough. We will depart from Ower on Sunday 11th October at 10am and head towards our first stop which will be lunch in a private room at **Wyke Down Farm** . They have a very nice Sunday Lunch Menu **here**. At around 1.30pm we will then drive on to an optional visit of the Bombay Sapphire Distillery.

From the Bombay Sapphire Distillery website

“Explore the Bombay Sapphire Distillery on your own terms, in your own time. The Self-Discovery Experience showcases the very best of Bombay Sapphire gin and our beautiful, historic distillery. Take in the crystal clear water and beautiful natural surroundings as you walk along the River Test. Step back in time to uncover the fascinating history behind Laverstoke Mill in the Heritage Room. Discover the ten exotic botanicals in Bombay Sapphire gin in the Glasshouses and Botanical Dry Room and then join our hosts as they take you behind the scenes of the unique Vapour Infusion distillation process in the Dakin Still House. Immerse yourself in the history of gin and Bombay Sapphire in the Gin Academy, then your experience culminates in The Mill Bar. Every guest receives a drink ‘on the house’ in the Mill Bar alongside the beautiful River Test. “

The cost of the tour is £15 with a concession price of £13.50. As a longtime drinker of Bombay Sapphire, I think this is money well spent.

Roy needs to know how many people are interested so he can make bookings. Please could you email him as soon as possible if you wish to attend.
