Lea Valley Group - Member Survey V2

If you are a new member to the TR Register or are new to the Lea Valley Group, a very warm welcome! All our members are actively encouraged to participate in the events that interest them and to get the most they can out of membership. Most of all, we encourage new members to attend Third Sunday and / or First Wednesday events - don't be shy, we are a very open and friendly group!

This updated survey has been designed to find out what members want to get from their membership at a group level and is actively used by your group committee to tailor group events and activities. Please provide as much information and feedback as you can to help us achieve the right mix. You are welcome to expand the table boxes to include more information.
