### KVG and the TR Register

We are the Kennet Valley Group of the TR Register, the club dedicated to the entire range of Triumph TRs. There are some 50 groups representing the whole of GB, with many affiliated groups overseas covering not just the European continent, but as far afield as Australia, Japan, South Africa and America.

Originally the Butt Inn Group from late 1970, the Kennet Valley Group (KVG) was formed in 1972, under two years after the inception of the TR Register, and covers Central & West Berkshire and the surrounding areas. We hold regular club nights on the first Wednesday of each month throughout the year as well as mid-monthly meets, and attend many and various events including car shows, road runs, rallies, special events including European tours, and various other social occasions.

The TR Register is a must for all TR owners, or those considering ownership of a TR, producing a high quality magazine 10 times a year as well as providing a mass of information to suit every need.

Please check out the TR Register website at: [www.tr-register.co.uk](http://www.tr-register.co.uk) ...for more information.

Our International Rally is held in July each year, at various major showground's where you will see the largest collection of TRs ever, both from home and abroad. This is a 3 day event where you can caravan, camp, B&B (locally), or just visit for the day. Events include arena displays, concours and pride of ownership awards, entertainment for the children, social events in the evenings, as well as the opportunity of haggling over those all important parts with all the major suppliers or autojumble stallholders.

Don't worry if you have not got your TR on the road, or even not purchased yet, you are still very welcome to come along and join in!
