## RED ROSE MAY BULLETIN

*At last spring has finally arrived and the car season is now well under way  
It has been a very busy month at Red Rose head office - Organising Drive it day, TR  
Register Group Leaders meeting, TR Fest arrangements and, Gawsworth Hall car show.*

### IMPORTANT NEWS - 13<sup>th</sup> MAY ANTROBUS MEETING

*Regrettably due to a prior commitment we will not be at this month's Antrobus meeting on  
the 13<sup>th</sup> of May. Our deputy leader is also unable to attend and Bob Eccles has  
unfortunately been called up the Scotland in his role as a TR Register Regional Director.  
As a result there will be no chair person at the meeting so we have tried to cover the  
majority of the new and forthcoming events in this month's bulletin. You are still welcome  
to attend the May meeting and we can assure you normal service will resume at the  
meeting on the 10<sup>th</sup> of June which will have a packed agenda including forth coming  
summer events, important TR fest news, TR Register International information, Summer  
shows and details of the Red Rose Summer run on the 15<sup>th</sup> of July.  
Make a note in your diary now!*

### 8<sup>th</sup> April Meeting at The Antrobus Arms and run to Ansom Engine Museum

*Our April meeting saw us return to a very different looking Antrobus Arms! It is barely  
recognisable after its makeover and whilst there were a few changes to our meeting and  
whilst the new venue is not as hoped we have spoken with the new landlord and he is keen  
to help us make it work for our future meetings.*

*We are however keen to hear from anyone who is willing to take on the role of organising  
an alternative venue which would offer similar facilities to the former Antrobus Arms*

*In the mean time it is only reasonable that we and the new owner all work together to try  
and make thing works and we hope as many of you as possible will continue to come each  
month and support the club and the new owner of the Antrobus Arms who have made us  
welcome and invested a lot of money to modernise the establishment*

*The post meeting Anson Engine Museum visit was kindly organised by John and Anne Thorp and I am sure that those who attended will agree that the museum is extremely interesting and well worth a visit*

### **Group leaders meeting 14th April**

*Gaydon was the perfect venue and the meeting itself was very interesting with much to talk about!*

*It was good to meet up with other register members and hear their views on a variety of subjects including what to do with TS2, data protection! and the future of The International Weekend. There were lots of healthy discussions and debates and I can report back that the management team are listening to our views!*

*Full details of presentations are available for all members to view on the TR Register Web site. Simply click on the link below, enter you log in detail and you will be taken to the group leaders meeting report.*

### **Drive It Day 22<sup>nd</sup> April**

*Our Drive it Day run was a huge success! We teamed up with Stoke and Trent groups and had a brilliant day out to the Tramway Museum in Crich. We met up with Stoke on route and Trent was waiting for us when we arrived.*

*The museum is a hidden gem of social history and the Trams themselves have been beautifully restored. We all took advantage of the unlimited rides and most of us visited the old fashioned sweet shop and went for some refreshments in the pub and tea rooms. It is well worth a visit and I know many members are planning a return trip.*

*For those who were brave enough there was then a very exciting run to The Knights Table for dinner which involved a few off piste roads and one or two fords! Some deeper than others!*

*40 people enjoyed a very tasty and extremely hearty roast dinner and we are planning a return visit!*

*I think I speak for everyone when I say that it was great to do an event with other clubs and I hope it's something we will do more of in the future.*
