

Events List 2019

I have put together a draft summary of shows and events both local and national that might be of interest either to the group or individual members.

Many events now ask for a small entry fee to go to charity and also pre-booking so don't wait until the day to decide to go! Most events have their own websites or contact me for further information.

To generate some more interest in our marque and group within the area I have **highlighted** certain events that we might especially like to attend as a group. If you know of any other events that you would like to share with members please get in touch as soon as possible so we can circulate the details amongst all group members for discussion.

We have also been asked by the Register to look at more intergroup events, and I will continue to send out invitations from other groups and clubs as I get them.

Robert Longstaff

MULTI MARQUE MEETINGS

There are a number of these within our area, they are usually an informal "drop in" session at a regular time and venue and all "interesting" vehicles are welcome, you never know what you will see or who you will meet! A few I have been to last year:

Classic car afternoons, Notcutts garden centre, 12.30-3pm, last Thursday of the month March - September

Oxford classic motor club, six bells pub, (on the Green) Warborough, 2nd Tuesday of the month from April – September, from 7PM.

Classics at the Cottage (Classic Saturdays), The Cottage Inn, Upper Buckleberry. Last Saturday lunchtime of every month.

Classic motor hub, Bibury

Bicester Heritage

I had been asked to help re-launch the Wyvern Classic club, which ceased a couple of years ago when their venue pub closed. Currently investigating the opportunity for a multi marque "Abingdon based" meeting with John Watson from the MG group, let me know if you are interested....

There are many more events in our area, some can be found at www.classicshows.org, I am always interested to hear feedback from new events.

.
