Dear Exhibitor

A notice from the Festival Management Committee

We hope you are keeping safe and well. In these difficult times, the Festival Committee felt that we should keep in touch with you and keep you updated with our current situation.

There are only around 10 weeks till the Festival is due and the Government has yet to give any indication as to when large gatherings in the open will be allowed. With no Government guidance as to any COVID-19 requirements, it is proving difficult to know what contracts need to be put in place. In addition, many of our volunteers (along with many of the exhibitors) fall into the higher risk categories and their health, safety and wellbeing is of paramount importance.

It is therefore with deep regret that the Rotary Committee has decided to reschedule the September Festival and have agreed with Basingstoke Council that **the 2021 Festival will be on Sunday 9 May 2021**. Please put the date in your diary.
