On arrival into the Car Park you will be greeted by our marshals and shown to your display slot, just stop by the Vehicle Check-in tent. Our aim is to get you in position quickly which is why we ask for your vehicle make and registration number so that we can recognise you as you arrive and not keep you waiting.

Ground rules –

For safety reasons vehicle movement during the day will not be permitted.

As the Miniature Railway will be running throughout the day, exit from the Recreation Ground will be restricted and vehicles will only be allowed to leave on the hour/every hour.

Should you have an emergency and need to leave urgently, please seek one of the display marshals who will make arrangements for the railway to be stopped and you will be guided out of the grounds.

Vehicle engines are to remain off once your vehicle is in position please.

No reversing unless guided by a Marshal.

Free Hot drinks will be available to all Exhibitors – please advise the volunteers at the Tea/ Coffee stand that you are exhibiting.
