# KVG Membership

- Average meeting attendance this year is difficult for obvious reasons

- From August we had live meetings again, we have seen a lower attendance at club night, but the electric TR6 evening was very well attended.

The AMM in March 2021 saw 24 members, 2020 AMM saw 29 members

- Membership Numbers, We have seen numbers drop again this year, and end of the year (officially) with 90 (-7) Full members and 11 (-2) Family members, making a total of 101 members. Most clubs outside of TRR lost on average 10% over Covid period.

# Election of Club Officer 2022/23

**LET'S VOTE!!!!**

**Duncan Bradley kindly volunteered to help on the committee and was co-opted in the role.**

**Duncan has been a car enthusiast all his life, being able to name cars from about 18 months old. My Father and uncle gave me my passion, my Father owning Singers in the late 40's and laterly Alfa Romeos and Lancia's when we lived in Italy in the 1960's. My Uncle had Lotus Elites, E Types, Lotus Elans, Lotus Cortina's amongst others.**

**I am putting my name forward to join the committee because I believe in participating fully if possible, and not just sitting back and enjoying the fruits of others endeavours. Also, I have just taken early retirement, and know I will need something to fill my time!"**

**We now need to formerly vote to confirm Duncan as a Committee Member.**
