

# TS2 Round Britain Relay 2022

To celebrate over five decades of uniting Triumph TR sports car enthusiasts, the TR Register has announced that TS2, the Club's promotional vehicle and the first right-hand-drive production TR2 built, will undertake a Round Britain Relay Run in 2022. The aim is to visit as many of the 53 local groups of the TR Register Car Club in the UK as possible. Along the way, each group will be laying on events, activities and other promotional opportunities that our members and the public can enjoy.
