at CarFest 2022!

*Join the biggest family fundraising festival in the UK!*

For 10 fabulous years we have been celebrating the things we love most – family, music, cars, food and a great party! What makes us different is why we do this, to date we have raised over £20 million for UK children's charities. And we want to do it all again!

This year's CarFest is not just one festival, but SEVEN magical festivals in one, and one BIG party:

**CarFest**

**StarFest**

**SpaFest**

**FoodFest**

**RetroFest**

**AdventureFest**

**KidsFest**

From legendary music performances, celebrity chef demonstrations, dramatic track shows, amazing activities for the whole family and a gathering of great stars, CarFest offers something for every member of the family.

In 2022, all profits from CarFest, including a guaranteed 15% of the price of each ticket, will again be donated to UK Children's Charities, including our seven nominated charity partners.
