

The TR Register Shropshire Group's Tour of Dumfries & Galloway Sunday 14th May to Thursday 18th May 2023

*Balcary Bay Country House
Hotel*

Our 2023 Shropshire Group Tour will take us to Dumfries & Galloway.

Few can remain unmoved by the unspoilt beauty of this corner of Scotland. Take a walk along the deserted beaches where Robert Burns journeyed on horseback to catch whisky smugglers or stroll through the rugged grandeur of the Galloway Forest Park, 300 square miles of forest, moorland and lochs where you're more likely to see a deer or bird of prey than another human being. Admire the ancient, ruined castles and monuments that set the imagination alight with their whispered hints of what life used to be like.

Our hotel, the 3* Balcary Bay Country House Hotel, is rated as "Excellent" on Tripadvisor and is located right on the shore. This historic hotel started its life c.1625 and, together with Hestan Isle opposite, was a major smugglers haunt during the 17th and 18th centuries. The vaulted hotel cellars were once full of contraband liquor. Today, the cellars offer a selection of world class wines from tasty moderate priced wines to Grand cru. See:

There are so many Places of Interest for us to visit including Castles, Exotic Gardens and, of course, the Bladnoch Distillery! Wigtown is regarded as Scotland's Book Town. We will be organising runs to visit several of these places but, as is usual with our tours, none of the runs will be compulsory. You are free to do what you want, go where you like or just to chill out around the locality.
